Legal Committee Meeting  
Rolling Action Log

Action No	Action	Action Owner	Status	Expected Date of Completion	Update/Comments
MEETING HELD 13 May 2025					
2025130 5-LC-001	<b>Statistical Report:</b> Ensure that that future end of year reports summarise key learning themes being captured and taken forward by Police Scotland and other organisations involved.	James Douglas	OPEN	August 2025	<b>10.07.25:</b> Organisational learning is something that is spearheaded elsewhere, but Legal will feed into that process. Year end reports will capture any emerging themes. Such a report is not due until April or May next year.  <b>Propose to close.</b>
2025130 5-LC-002	<b>Statistical Report:</b> Advise members on how the reduction in relation to motor claims has been achieved and how that can be built on.	James Douglas	OPEN	August 2025	<b>10.07.25:</b> We have no control whatsoever over the number of claims we receive. Nothing we did reduced the number of motor claims. In the event there is an increase in the number, again, there is nothing we are doing that impacts the number of claims. Police Drivers are obviously already highly trained and driver training is a continuous and on-going event.  <b>Propose to close.</b>
