MEETING HELD 20 MAY 2020						
200520-SPABM-001	Public Confidence Survey: Work to be undertaken to determine the best way of using and combining results from both SPA and Police Scotland surveys. Also to consider how to use graphic work to provide easy and accessible way to communicate complex data.	DCC Will Kerr	OPEN	30.06.20		<p>18/06/20 - Police Scotland has recently approved the instigation of a Public Confidence Governance Board, which will have responsibility for monitoring all survey outputs and directing operational activity, designed to maintain Public Confidence by responding to emerging trends and prioritising those issues which the public consider most important. This Board will report monthly to the Strategic Leadership Board. Currently, a monthly Insights Report is completed and has been shared with the SPA. SPA feedback in respect of this product has been considered and the product continues to develop, in order to ensure the monthly data captured through the 'Your Police Survey' and 'User Experience Survey' is as accessible as possible.'</p> <p>Propose to close</p>
